ENERGY EFFICIENCY INCENTIVE AGREEMENT

Disclaimers: Orcas Power & Light Cooperative (OPALCO) hereby disclaims any and all implied warranties (including but not limited to implied warranties or merchantability or fitness for a particular purpose) and shall not be responsible for any representation or promise with respect to the equipment, materials or labor required for the installation of energy efficiency measures on the premises, or the cost of such equipment, materials and labor.

ADDITIONAL CONDITIONS:

1. Available to OPALCO residential members. Single family residences and manufactured homes are eligible. Residential structures must be in a habitable condition with a primary electric heat source. All structures must be on an OPALCO residential electric rate and have an active residential account.
2. Homeowners are responsible for complying with all applicable codes and regulations.
3. Incentives less than \$100 are applied as a credit to the member's account; greater than \$100 are paid directly to the member/homeowner by check.
4. OPALCO reserves the right to inspect energy efficiency measures prior to payment and will coordinate inspection as applicable.
5. Please allow 6-8 weeks for processing and payment of incentives.

ELIGIBILITY

- For installation in single-family or manufactured homes.
- To qualify, the pre-test must show that duct sealing is required, and 50% of the ducts must be outside the heating envelope (i.e. in an un-insulated crawlspace).

CONTRACTOR

Contractor/Installer Name:	
Contractor/Installer Phone Number:	

REBATES

MEASURE	BUILDING DESCRIPTION	REBATE	JOB COST
PTCS Duct Sealing	New Construction and Manufactured Homes	\$400	
PTCS Duct Sealing	Single-Family Existing Homes	\$500	

OPALCO will review your rebate application and determine if your heat pump measure qualifies for the rebate.

By signing below, I represent that all of the information on this form is true and agree to open my home to random inspections for quality control purposes by an OPALCO representative. I have read, understood and agreed to the terms and conditions of this rebate and certify that the measures described above have been installed at the location indicated and that there is a permanently installed electric heat source at this location.
