**MINIMUM MONTHLY CHARGE**

The minimum monthly charge is based on the applicable Internet access fees above, or prorated if Internet access is provided for less than a full month.

**COST BASED SYSTEM**

A surcharge or credit may be applied to the Internet access fees under this tariff to reflect an increase or decrease in the cost of delivery. The surcharge or credit will be determined by Island Network management.

**GENERAL PROVISIONS**

1. A \$100.00 non-recurring configuration fee per connection will be charged.
2. Approved Island Network retail service providers shall have the authority to resell bulk Internet access based on speed to commercial and residential subscribers. Members other than approved Island Network retail service providers shall not resell Internet access.
3. Members shall not provide any unauthorized access to the network. Island Network reserves the right to inspect for such third party access. If a violation is discovered, Internet access will be terminated immediately and restitution for damages may be pursued at the discretion of Island Network staff.
4. This tariff does not include charges for an Island Network port, which is required for Internet access delivery.
5. Applicable taxes will apply.
