

OPALCO Bids Farewell to Co-op Family Retirees: 2013-2014

TODD SHANER, 33 YEARS OF SERVICE
SUPERINTENDENT OF OPERATIONS

Todd started work at OPALCO in 1980 on the right-of-way crew. He was one of the first to go through OPALCO's Apprentice Program, beginning in 1984. He served as a lineman for 22 years before being promoted to Foreman, Manager of Operations, and Superintendent of Operations.

FEBRUARY 2013

GINNY REAGLES, 18 YEARS OF SERVICE
MEMBER SERVICES REPRESENTATIVE

Ginny was the "voice of OPALCO" and a familiar face to many members in her role as a Member Services Representative in the Eastsound office. Her playful sense of humor, knowledge of island history, and keen attention to safety and customer service were skillfully woven into her day-to-day work.

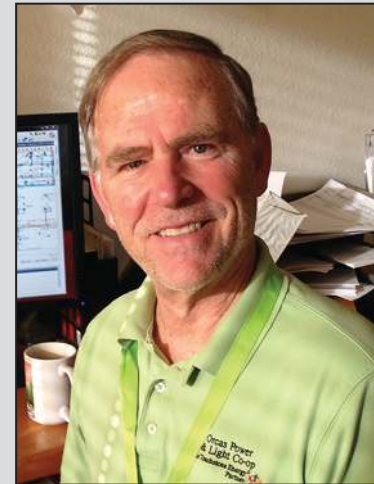

FEBRUARY 2013

JIM SCHUBERT, 10 YEARS OF SERVICE
MEMBER SERVICES ENGINEER

Jimbo spent his tenure working with new members to get power to their properties and contributing to a number of system improvement projects. Jim was a vital part of the San Juan staff and a very helpful voice in member relationships and support.

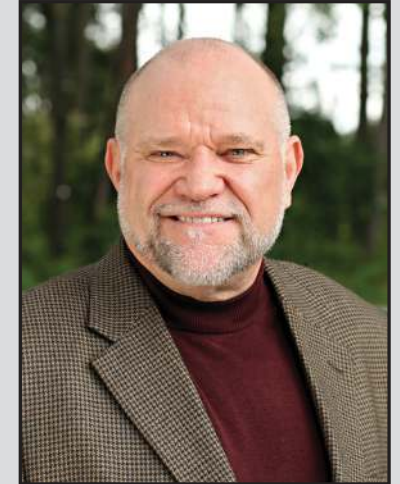

JANUARY 2014

REX STICKLE, 9 YEARS OF SERVICE
WORK ORDER CLERK

Rex's best-loved contribution may have been keeping a smile on everyone's face, thanks to his keen sense of humor. He was instrumental in helping the engineering staff manage all of the loose ends involved in completing projects and getting our new members connected.

MARCH 2014

RANDY J. CORNELIUS,
12 YEARS OF SERVICE
GENERAL MANAGER

Randy brought our energy efficiency, conservation and local distributed power programs to the next level and introduced community solar. Under his direction, we have received the very top ratings from RUS and auditors for our operations, capital projects and financial practices.
