VOLUNTEERS WANTED

for MEMBER REVIEW COMMITTEE

COMPREHENSIVE REVIEW OF OPALCO ELECTION PROCESS

Cooperatives are organized under the Rochdale Principles which include **Democratic Member Control:**

“Cooperatives are democratic organizations controlled by their members, who actively participate in setting policies and making decisions. Men and women serving as elected representatives are accountable to the membership. In primary co-operatives members have equal voting rights (one member, one vote) and co-operatives at other levels are also organized in a democratic manner.”

As OPALCO reviews its election processes, a member review committee will convene from August-October 2016 to give input into the process. We are looking for members interested in serving on the volunteer committee.
