VERY SATISFIED	Fast and well organized.
VERY SATISFIED	Very convenient and well executed.
VERY SATISFIED	Thanks for providing an online method - very convenient.
VERY SATISFIED	Efficient and environmentally friendly way to vote.
VERY SATISFIED	Excellent!
VERY SATISFIED	You made it easy, and ultimately irresistible with the email reminders. Easy to cast the vote, good that one could access the bios of the candidates on the ballots.
VERY SATISFIED	amazingly straightforward
VERY SATISFIED	Easy and I could not find my privacy sleeve for the paper ballot so I decided to vote on line. Easy and hopefully secure.
VERY SATISFIED	Easy!
VERY SATISFIED	Great having the Bios right there. Very good instructions. Thank you!

SATISFIED	Ballot has been sent to an old e-mail address; how do I update?
SATISFIED	It would be helpful to be able to see the password to check it, since mistyping can occur. Some sites have an opportunity to see it while typing, but then hide it while submitting it.
SATISFIED	This process worked very well.
SATISFIED	Setting up the SmartHub could have been smoother, it took several tries to acknowledge my email address and still was unavailable for this ballot.
SATISFIED	I couldn't find the voting link in SmartHub.
SATISFIED	After making my selections, the "Logout" button was more prominent than "Confirm Submission". I initially assumed Logout would cast my vote, until I looked closely to see the other button. My guess is that others make that mistake and click the wrong button.
SATISFIED	Fairly easy for a non Techie. Thanks.
SATISFIED	No problem with voting but OPALCO should have women on the Board.
SATISFIED	The VOTE button on the main page of the email did not work for me.
SATISFIED	Liked the ability to view bios while deciding how to vote.. Would be better if this process to allow use of the Back button.
SATISFIED	It bothers me a little when there are not enough candidates to make the race viable. if there are 2 seats and only 2 candidates there is really no vote that counts.
SATISFIED	I'd prefer to have the bios open in a separate window/tab.

SATISFIED	Found no place for a write in for Dwight.....
SATISFIED	It would be helpful to have access to more detailed and specific information about the candidates' priorities and plans for OPALCO, what they plan to change, continue, improve, etc.
SATISFIED	Easy to log in with personalized email link. was a little "clunky" accessing candidate bio's -- opens a new document: could it better open a small window in that main document?
SATISFIED	It would be nice to have a "submit vote" button on the candidate listing page. The button to review is pretty dinky.
SATISFIED	It took me a little while to find the candidate bios on your website, but other than that, this system is really elegant and easy.
SATISFIED	I was unable to access the ballot on-line. I e-mailed and received an e-mail response saying I would get an e-mail with the information I needed to vote. So far, I still have not gotten that info. I finally used the smart hub option.
SATISFIED	my email didn't work to get me into the portal, only my member number. please let us know which one works. also you may want to add OPALCO strategic goals to the ballot so we can match the board members with the direction of our co-op. thanks!
NEUTRAL	Candidate biographies should be the FIRST choice when going to the site.
NEUTRAL	you should have allowed a write-in space.
NEUTRAL	submit ballot button should be BIG, and bright. It was not easy to find.

NEUTRAL	The next ballot should have the opportunity to "write-in" other candidates
NEUTRAL	I was unable to use the smarthub to vote. When I logged in and pressed vote nothing happened. I had to go through the process of asking for the special login password. It took extra time.
NEUTRAL	Took too many tries to get to the voting page. The Opalco Home page was not clear on sign in and did not have a vote button.
NEUTRAL	I'm upset about the board's decision to disqualify Dwight Lewis
NEUTRAL	There must be a place for write-in candidates.
NEUTRAL	I had to print it out to discuss with my husband, so print would have been more convenient. But I can understand that electronic counting will be easier.
NEUTRAL	I tried to vote using the smart hub phone app and was unable to do so. The voting process asked for an "election password" even though I was signed into my account. Today I was able to vote via my laptop and smart hub; no "election password" was requested. Success!! But what a pain.
DISSATISFIED	I wouldn't have voted for Dwight, but he should have been allowed to run.
DISSATISFIED	Why would a voter be required to mark business form information when not affiliated with a business? Also, if a voter does not want to vote for candidates in all districts, why is that necessary? There should be a non of the above, a no vote box or just accept the votes marked.

Rating:	Comments about this process:
DISSATISFIED	I think you should have allowed Dwight Lewis to stand for election. Rockisland is a complete disaster and the board is totally complacent (complicit?)
DISSATISFIED	All for electronic ballot process. Hate all the annual e-mails and continually having to state that I want to go paperless. Why can't it be a one and done declaration. Makes the process clumsy and more time consuming than it should. The E-mail notice to vote can be better done. Like a word document with hyper links...arn't there better tools? You have no problem spending money on technology, upgrade your communication and back office tools for interacting with members!
DISSATISFIED	Why o provision for write-in candidate?
DISSATISFIED	Prompts to submit the ballot did not appear until after I tried to log out.
DISSATISFIED	There was not an option for a write-in.
DISSATISFIED	Finding my account number on the Opalco site requires more effort than it should.
DISSATISFIED	No option for "none of the above" or write-in.
DISSATISFIED	I could not make the Account Hub blue button vote link work....too much time on the phone, etc to vote elsewhere.
DISSATISFIED	The recent disqualification of a candidate was a mistake. I am concerned about some of the issues he raised and it would have been nice to have an opportunity to hear more from him. The provision for disqualification trades far too closely (as applied) to people who disagree with the current Board.

VERY DISSATISFIED	I was disturbed that the Board decided to eliminate one candidate before the membership had a chance to vote on the candidate.
VERY DISSATISFIED	In a democratic election it is important to allow write-ins.
VERY DISSATISFIED	Took forever to figure out how to get to the voting sight!!
VERY DISSATISFIED	I want to be able to write in candidates.
VERY DISSATISFIED	Please allow us to have write in candidates. It is very democratic - your process is very undemocratic. Sandy
VERY DISSATISFIED	There needs to be Write In candidate option . I did not vote any any of the existing members. Its an all male slate with no options for new blood. Very dissatisfied!
VERY DISSATISFIED	No choices for candidates and way write in a candidate. I would have wrote in Dwight Lewis.
VERY DISSATISFIED	The whole director selection process is totally self serving. You should allow write ins and public input in the nomination process, not do it in house the way it seems to happen. It is a travesty that you don't allow Dwight Lewis to run. He could do a lot of good for OUR utility.
VERY DISSATISFIED	This is an election for the co-op owned by the community. There needs to be the ability to write in names like in any democratic election. The board is too controlling of the election. Seems un democratic to me.

VERY DISSATISFIED	This is the most UNFAIR election that I have ever seen! ! ! Totally undemocratic! Before you can be "certified" to be on the ballot you must first be a member of the Good Old Boy's Club and have their stamp of approval. I am thoroughly disgusted and I am not alone! ! Not even a provision fo a write-in. The members of this Co-op should decide who their directors should be not the Board and not the Attorney.
VERY DISSATISFIED	Dwight Lewis was my choice which you have not included in this ballot which is fraudulent and devious. Which is why you need Dwight and others like him as you bankrupt our coop.
VERY DISSATISFIED	You need to allow for write-ins in the online ballot. Can I vote by mail? My vote is for Dwight Lewis
NO COMMENT	I may have sent a paper ballot. Use it for the vote. Linda
NO COMMENT	Worked well.
NO COMMENT	Worked fine for me.
NO COMMENT	It works great!
NO COMMENT	The process should have a method for write-in candidates.
