

Are you ready to SWITCH IT UP?

Save \$\$\$\$ when you switch to electricity for heating and transportation! OPALCO will provide on-bill financing for ductless heat pumps, heat pump water heaters, and/or electric vehicle chargers.

It's easy to apply!

STEP
01

Get a bid from a contractor. OPALCO has a list of contractors familiar with Switch it Up! online at www.opalco.com/rebates.

STEP
02

Apply online. www.opalco.com/switchitup. OPALCO reviews applications quickly and can have an approval letter to you in 10-15 days.

STEP
03

With your approval letter in hand: sign and return the agreement – and then install your measure!

STEP
04

Contractor bills OPALCO directly. OPALCO pays the contractor and sends member a conservation agreement that lays out the expected savings, finance charges and term.

OPALCO's Eastsound Office Temporarily Moves to Original 1930's Office during Septic Replacement Project

The septic system for OPALCO's Eastsound office has failed. The headquarters building will be closed for about six months beginning September 10th to replace the system and repair the building. The Eastsound office will temporarily relocate to the original historic headquarters building at 45 Mt. Baker Road (the old dentist office) starting September 16.

The Eastsound offices will be completely closed for the move September 10-13, but all member services will be available through our Friday Harbor office. Call 360-376-3500. The bill drop box at the Eastsound building will continue to accept payments.

The OPALCO team thanks you for your patience during this (messy) construction project!
