Re: 2021 Year End Unaudited Financial Report

Please see attached the full 2021 Year End Unaudited financial report. Included in the report package are the Statement of Revenues and Margins (along with a notable driver analysis), Balance Sheet, Statement of Cash Flows (GAAP), and capital projects budget tracking.

The OPALCO and Rock Island teams met the challenge of the continued pandemic conditions in 2021 while keeping rates flat, continuing to provide COVID assistance and coming into year end with a healthy margin. Power reliability was maintained at 99.87% and Rock Island broadband reliability achieved 99.99%.

The energy charge adjustment (ECA) returned \$1,294M (\$211k in January based on December 2020 calculation) to the membership through Year End 2021, driven by higher kWh sales and a lower cost per kWh purchased than budgeted. The continued impact of COVID-19 on our commercial members is waning as commercial revenue was above budget by ~\$15k. Overall, sales were bolstered by higher kWh sales than budgeted. Coupled with overall expenses coming in under budget and the PPP Loan Forgiveness of \$1.79M, all factors combined resulted in an increase in the margin of \$2,854M as compared to budget.

The table below provides a summary of the financial results of 2021.

<sup>\*</sup> The ECA returned \$1.294M to members in the form of bill credits in 2021

<sup>\*\*</sup> PPP Loan forgiveness recognized as non-operating revenue in Sept '21

For more detail, please note the following key points:

- Heating Degree Days (HDD) were slightly higher than budgeted levels (actual of 1,446 vs. budget of 1,398). Overall kWh sales were 16.5M kWh above budget (219.7M vs. budget of 203.2M) resulting in revenue coming in ~2.11% above budget.
- 2021 power purchases were \$200k higher than budgeted, due to a combination of higher overall kWh purchases (cold weather driven) and a slightly lower cost/kWh than budgeted. Actual kWh purchases were 22.4M kWh above budget (238.4.0M vs. budget of 216.0M).
- Excluding purchased power, 2021 operating expenses were approximately \$526k under budgeted amounts. Note: Some expenses and programs were temporarily cancelled due to COVID-19.
- The ECA for 2021 was a net credit to members (and reduction to operating revenue) of \$1,294k, or \$59.18 for a member using 1000 kWh/month. Due to the one-month lag in billing the calculated ECA, ~\$211k of the 2021 ECA was derived from December 2020 results.
- Rock Island Communications 2021 Financials included in separate packet.

OPALCO 2021 Financial Package under separate cover.
