RE: Q.PEAK DUO XL G11S BFG 585W photovoltaic solar modules (the “Modules”)

To Whom It May Concern:

Hanwha Q CELLS America Inc. (“HQCA”) is committed to American manufacturing, and confirms that the Modules referenced above qualify as domestic end products under the Buy American Act as defined under Federal Acquisition Regulations (“FAR”) §52.225-1; are U.S. end products for purposes of FAR §52.225-5; and are domestic construction material for purposes of FAR §52.225-9 and §52.225-11.

Qcells is proud of its ongoing commitment to building a sustainable solar supply chain in the United States. Please let me know if additional information would be of assistance.
